Improvements to NEW Cooperative Education program

In response to student feedback, we've made some improvements to this NEW program!

- * The commitment for a part-time Co-op position is now from 1 to 3 years
- * Many students can take up to 16 credit hours while they work

Advantages of the Co-op Program:

- * Enjoy post-graduate success - nationally, more than 95% of Co-op students obtain employment immediately upon graduation! (According to the National Association of College Admission Counseling)
- * Graduate with at least 1- 3 years of professional work experience
- * Earn income to offset college expenses
- * Fulfill your Experiential Learning Requirement
- * Explore career options within your major
